

31st May – 03rd June 2021 | Caparica | Portugal

ULTRASONICS 2021

V International Caparica conference on ultrasonic-based applications: from analysis to synthesis

Conference Topics

Ultrasound in Analytical Chemistry and Food Chemistry
Ultrasound in Organic and Inorganic Synthesis
Ultrasound in Synthesis of New Materials: Studies and Applications
Ultrasound in Biomedicine and Biochemical Applications
Ultrasound and Physics and Physics Applications
Ultrasound and Environmental Applications
Ultrasound and Engineering

Plenary Speakers

Gail Ter Haar | Sutton | UK
Kullervo Hynynen | Toronto | Canada
Jürgen Götz | Queensland | Australia
Andreas Mandelis | Toronto | Canada
Brijesh Tiwari | Dublin | Ireland
Parag R. Gogate | Mumbai | India
Aharon Gedanken | Tel-Aviv | Israel

Contacts

Carlos Lodeiro
