

26th- 29th June 2023 | Caparica | Portugal

ULTRASONICS 2023

VI International Caparica conference on ultrasonic-based applications: from analysis to synthesis

Conference Topics

Ultrasound in Analytical Chemistry and Food Chemistry
Ultrasound in Organic and Inorganic Synthesis
Ultrasound in Synthesis of New Materials: Studies and Applications
Ultrasound in Biomedicine and Biochemical Applications
Ultrasound and Physics and Physics Applications
Ultrasound and Environmental Applications
Ultrasound and Engineering

Plenary Speakers

Kullervo Hynynen | Toronto | Canada
Timothy Mason | Coventry | UK
Gail Ter Haar | London | UK
Hubert H. Lim | Minneapolis | USA
Brijesh Tiwari | Dublin | Ireland
Takaomi Kobayashi | Niigata | Japan
Andreas Herrmann | Aachen | Germany

Contacts

Carlos Lodeiro
